News/Upcoming Events

We would like to welcome Tia as our new director, Tia started on August 9th, and we are very excited to have her with us. With Tia's new start we have updated our hours. Tia has some new ideas for the children's events as well as some other upcoming events, check our Facebook page for updates on things coming up.

Message from Tia

Hi, I'm Tia I just want to start out by saying I am very excited to be the new director here at the Norway Public Library. I have some new ideas for things that kids, and adults can be a part of. I would also like to start some kind of book club in the near future. A little about myself, my family and I moved to Benton County last November. My husband Pat and I have three kids. Our daughter Alana and son Jayden both go to Benton High School and our youngest Allyondra attends school here in Norway. Our family loves to spend time outside, camping, swimming, and boating. We all love animals and we kind of have a zoo with 2 dogs, 4 cats, a snake and pet rat. We have loved getting to know the people of Benton County and I can't wait to get to know the people of Norway and surrounding areas.

Looking Ahead

Saturday September 24th at 10am we will have our monthly kids' program. This month we will be reading a book about fall and making black glue and salt leaves.

Books Coming

- Blowback - Patterson
- Treasure State - Box
- Fairy Tale - King
- The Winners - Backman
