

City of Norway

Application for Building Permit

Anyone building inside the City Limits must complete this application and submit it to the Norway Building Inspector, along with the amount due for the permit according to City Code: 155.03. This application will be presented to the City Council for final approval. Prior to ANY work beginning, it is the responsibility of the property owner to contact City Hall at 319-227-7351. Please attach blueprints and proof of located lot pins to this application as both are required for application approval. **Before** pouring any cement or digging a corner post, you **MUST** contact the city and verify the location.
