*(Code of Iowa, Sec. 435.1)*

1. “Manufactured home” means a factory-built structure built under the authority of 42 U.S.C. Sec. 5403 which was constructed on or after June 15, 1976, and is required by federal law to display a seal from the United States Department of Housing and Urban Development.

3. “Mobile home” means any vehicle without motive power used or so manufactured or constructed as to permit its being used as a conveyance upon the public streets and highways and so designed, constructed or reconstructed as will permit the vehicle to be used as a place for human habitation by one or more persons; but also includes any such vehicle with motive power not registered as a motor vehicle in Iowa. A mobile home means any such vehicle built before June 15, 1976, which was not built to a mandatory building code and which contains no State or federal seals.
4. “Mobile home park” means any site, lot, field or tract of land upon which three or more mobile homes or manufactured homes, or a combination of any of these homes, are placed on developed spaces and operated as a for-profit enterprise with water, sewer or septic, and electrical services available.

The term “manufactured home community” or “mobile home park” is not to be construed to include manufactured or mobile homes, buildings, tents, or other structures temporarily maintained by any individual, educational institution, or company on its own premises and used exclusively to house said entity’s own labor or students. The manufactured home community or mobile home park shall meet the requirements of any zoning regulations that are in effect.

1. **Retailer’s Stock.** Mobile homes or manufactured homes on private property as part of a retailer’s or a manufacturer’s stock not used as a place for human habitation.
2. **Existing Homes.** A taxable mobile home or manufactured home that is located outside of a manufactured home community or mobile home park as of January 1, 1995, shall be assessed and taxed as real estate, but is exempt from the permanent foundation requirement of this chapter until the home is relocated.

**146.03 FOUNDATION REQUIREMENTS.** A mobile home or manufactured home located outside of a manufactured home community or mobile home park shall be placed on a permanent frost-free foundation system that meets the support and anchorage requirements as recommended by the manufacturer or required by the *State Building Code*. The foundation system must be visually compatible with permanent foundation systems of surrounding residential structures. Any such home shall be installed in accordance with the requirements of the *State Building Code*.
